# RELAY for

# LIFE

WEWAK STREET  
STREET  
SCHOOL  
WEDNESDAY

24th October

Dear Parents and Cares,

This year Wewak Street School is hosting a Lap-a-thon to raise money for Relay for Life.

This will be held on Wednesday 24<sup>th</sup> October from 11am until 2.45pm.

Your child has received a sponsorship form. Sponsorships can be made per lap the child walks or a stand alone donation.

You are welcome to join your child in the lap-a-thon and for a BBQ lunch.

Anticipated timetable

11.00 - 11.30 – Classes 1 - 2

11.30 - 12.00 – Classes 3 - 4

12.15 - BBQ Lunch in classrooms

1.30 – 2.00 – Classes 5 - 6

2.00 – 2.45 – Classes 7 - 10

If you have any enquiries, please contact the school.

Our Year 6 and Year 12 students were very excited to receive their completion shirts for 2018.

## **NSW School Immunisation Program: Wewak Street School**

City of Wodonga will be offering vaccinations to year 7 students and catch up vaccinations to year 10 and 11 students (who previously returned consent cards) at this school on **Thursday 8 November 2018.**

The following vaccines will be offered on this day:

<b>YEARS</b>	<b>VACCINE</b>	<b>NUMBER OF DOSES</b>
Year 7	Human papillomavirus (HPV9) vaccine	Dose 2 (final dose)
Catch Up Years 10-11 (Students who previously returned a consent card)	Meningococcal ACWY vaccine	Single dose only

Consent cards should have already been signed for these vaccinations.

Please note that students who commence the HPV vaccination through the school vaccination program in Year 7 but do not complete the course during the school year may be offered a catch-up dose at school in Year 8. Students who have any HPV doses at their GP will need to complete the course with their GP.

If your Year 7 child missed the first dose of vaccines please contact council's immunisation team on 1800 655 360 to obtain a consent card (if consent card previously not returned). Council can administer the first dose of vaccines at school if we have a signed consent card.

Year 10 and 11 students who have NOT returned a Meningococcal ACWY consent card may receive this vaccine free through their GP.

Parents/guardians who wish to withdraw their consent for any reason may do so by writing to the school Principal or phoning the school. The Procedure for Withdrawal of Consent is available on the NSW Health website at [www.health.nsw.gov.au/immunisation](http://www.health.nsw.gov.au/immunisation).

**Please ensure that your child is wearing their sports uniform or a short sleeve shirt on the vaccination day (without any long sleeved layers underneath), this will enable a smooth vaccination process.**  
**A Record of Vaccination will be provided to each student vaccinated at the time of vaccination.**  
**Parents/guardians should ensure that this record is kept for future reference.**

If you have any enquiries regarding the NSW School immunisation program, please contact your local Public Health Unit on 1300 066 055.

## Understanding and Supporting Children with Autism Workshop

Presented by Creating Connections

in partnership with EACH and Aspire Support Services

A special workshop that will help in supporting those you care for.

### Workshop details

Presenters from Creating Connections will share their practical real life experiences.

In this workshop you will learn:

- How and why behaviour directly links to communication
- The types of behaviour that people might see as challenging
- What triggers are and how we can use them to anticipate behaviour
- How to interpret the underlying meaning of behaviour
- Some of the most common reasons for behaviour
- How to differentiate between a tantrum and a meltdown
- How to identify triggers and analyse behaviours
- How to use an analysis document to better interpret and analyse behaviour
- Why behaviour support is more effective than behaviour management
- Tips for responding to behaviour 'in the moment'
- How to plan for behaviour support
- The importance of setting up systems of support across four (4) key areas
- Our key practical tools and strategies for supporting behaviour and personal wellbeing
- How to implement engaging environments, accommodations, skill development and practical supports
- How to integrate support strategies that are effective and individualised
- How to create a Behaviour Communication Analysis and Support Plan
- The value of profiling communication

**When:** 9:00am to 2:45pm, Thursday 25 October 2018

**Price:** Free. Morning tea and lunch provided.

**Location:** Commercial Club, Waratah Room  
Dean Street, Albury

SunSmart Snippet

## The simplest way

...to choose a sun-safe hat!

Hats are one of the easiest ways to protect you from UV radiation.

Like all sun protection, hats are needed when the UV is 3 or above. Download the free SunSmart App to find out when the UV level will be over 3. Most parts of NSW experience high UV throughout the year, especially from October to March.

A sun-safe hat protects the whole face, head, back of the head and ears.

Styles of Sun-safe hats:

- ✓ Broad-brimmed
- ✓ Bucket
- ✓ Legionnaire-style

Baseball caps and sun visors do not protect the cheeks, ears and back of the neck and are not recommended.

To help keep your kids safe in the sun, check your schools SunSmart status by heading to [www.sunsmartnsw.com.au](http://www.sunsmartnsw.com.au)
