# Principal's Message

As the school year comes to a close, I would like to thank the students, parents/carers and staff for their commitment and hard work they have invested in making 2018 a year of change and growth.

It has been a pleasure to see our students growing and seeing themselves as learners and part of the community.

Staff have embraced new initiatives and built their skills in Positive Behaviour for Learning and reflective teaching practice.

Wewak Street School has embraced the Curiosity and Powerful Learning tool and is looking forward to using it to make our school, and learning, even greater.

Wewak Street School is committed to see improvement in every student, every teacher and every leader.

Transition week has had a successful start and students are excited and settled in their new classes. Feedback on this trial would be appreciated. Please phone, write a note, or email the school on: [wewakst-s.school@det.nsw.edu.au](mailto:wewakst-s.school@det.nsw.edu.au)

We are also committed to ensuring every young person in our school is known, valued and cared for by being truly engaged in learning and experiencing growth and success.

It is a great team effort at our school as administrative and support staff, teachers, principals and the community are all working together with a focus on helping students.

On behalf of all the staff I wish you and your families a safe and happy holiday and we look forward to seeing you in 2019.

Yours sincerely

Charmaine Borchert  
Principal
