CELEBRATIONS

Weighted blankets and animals help with sensory modulation and regulation.

Body sock: The body sock is a fun and alternative way of offering the children an intense sensory experience. Once inside the children receive tactile, proprioceptive and deep pressure input- for some children these sensory inputs can be very calming and regulating.

Bilibo's iconic shell shape and bright colours immediately appeal to children. Bilibo arouses curiosity, engages the imagination and playfully trains basic motor skills and balance.

Swings: stimulates both the body and the mind. It gives children the opportunity to learn how to organize incoming sensory input.

*** P&C AGM ***

**Monday 18th March 2019
Staff Room - 7pm**

**Wewak Street School will be running an
Easter Raffle.**

**If anyone would like to donate Easter eggs,
please drop them into the office.**

Thank you for your support.

WEWAK STREET SCHOOL
Learning and Achieving

Albury Gold Cup

on this day.**

There will be **NO SUPERVISION** after this time.

**Please contact your transport service
provider for bus times.**

School Vaccination Program: Wewak Street School

The first round of school vaccinations is being conducted at this school on **Friday 5 April 2019**.

The following vaccines will be offered on this day:

YEAR LEVEL	VACCINES OFFERED	NUMBER OF DOSES
YEAR 7 MALE & FEMALE STUDENTS	GARDASIL®9 (HPV)	Dose 1 of 2
YEAR 7 MALE & FEMALE STUDENTS	BOOSTRIX (Diphtheria, Tetanus, Whooping Cough)	Single Dose Only
YEAR 10 MALE & FEMALE STUDENTS	NIMENRIX (Meningococcal ACWY)	Single Dose Only

These vaccinations are funded on the National Immunisation Schedule. Should your child miss out on starting their vaccination course this year they will not be eligible to receive them for free in subsequent years.

Parent information packs were sent home recently.

To consent to your child being vaccinated with one or more vaccines, please sign the relevant sections of the consent card. The consent card must be completed, signed and returned to the school by **Thursday 28 February 2019**. **PLEASE FILL IN THE CONSENT CARD WITH BLUE OR BLACK PEN ONLY.**

If you **DO NOT** wish to have your child vaccinated with one or more vaccines or if your child has **already been vaccinated**, please don't sign the consent section on the consent card and return them to the school by **Thursday 28 February 2019**.

Please note: Students who have the first dose of HPV at their GP will need to complete the course with their GP.

Parents/guardians who wish to withdraw their consent for any reason may do so by writing to the school Principal or phoning the school. The Procedure for Withdrawal of Consent is available on the NSW Health website at www.health.nsw.gov.au/immunisation.

Please ensure that your child is wearing their sports uniform or a short sleeve shirt on the vaccination day (without any long sleeved layers underneath), this will enable a smooth vaccination process.

A Record of Vaccination will be provided to each student vaccinated at the time of vaccination. Parents/guardians should ensure that this record is kept for future reference.

If you have any enquiries about your child's vaccinations, please contact Wodonga Council's Immunisation Team on 1800 655 360. If you have any enquiries regarding the NSW School immunisation program, please contact your local Public Health Unit on 1300 066 055.

The simplest way

... to swap a packet of chips

Chips are high in saturated fat and salt, are not very filling and do not contain the nutrients needed to fuel your kid's for the school day.

SWAP chips FOR:

- Plain popcorn
- Plain rice crackers
- Dry roasted chickpeas
- Baked pita bread triangles
- Baked veggie chips

For more snack ideas, swaps and recipes visit our [website](http://healthylunchbox.com.au).
