# EDUCATION WEEK

What a busy and exciting week ahead as the school celebrates Education week.

I look forward seeing parents and friends at our Assembly on Tuesday.

The theme of Education Week is "Every Student, Every Voice". This theme is very much at the heart of the school ethos. Wewak Street School aims to give our students the ability and skills to have a voice in their future.

Resulting from this focus of every student at Wewak Street School being known, valued and cared for we have engaged in programs like Positive Behaviour for Learning, Curiosity and Powerful Learning and trauma training (Berry Street) to empower our students.

Student voice is nurtured, modelled and in many cases, scaffolded and taught 'how and why' in our classrooms every day. A culture of high expectation empowers students to build a sense of purpose, self – value and belonging.

What happens within the classrooms spills onto the playground, in homes and into the wider community.

As part of parents and carers having a voice staff ask all to complete the survey by following the link below

Please complete by Monday 19<sup>th</sup> August

Thank you so much for your support

# Positive Behaviour Learning

Each week at Wewak St we focus on teaching a specific behaviour that we expect from everyone in our school.

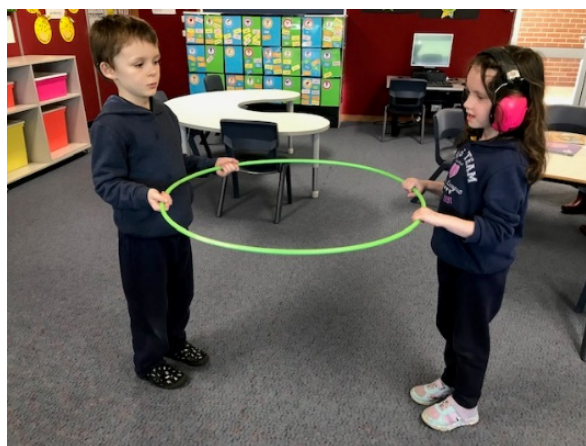

This week we will focus on being Safe. When we are Safe we keep our hands down, feet on the ground and a hula hoop distance apart from each other.

You can also support your children when they are at home with the same expectations:

Hands down,

Feet on the ground

Hula Hoop distance apart
