The importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

Go make some memories

23 – 25 August 2019

Wodonga Racecourse

borderexpo.com.au

Please start collecting your milk, water, juice and soft drink lids.
Please drop your CLEAN LIDS into the GREEN BIN
in the front office, thank you.

Lids4Kids

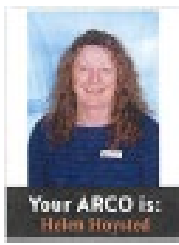

Leave us the plastic lids from your milk, water, juice and soft drink bottles and they'll be converted into prosthetic hands for kids.

For more information check out:
@Lids4KidsAU

One of the core values of NSW public education is inclusiveness - the belief that all students regardless of race, gender or ability should feel safe and welcome within the school community so that they can gain the best education possible.

To assist the Department of Education in meeting this aim and the department's commitment to anti-racism please visit the <https://education.nsw.gov.au/> to view the department's [Anti-Racism Policy](#). The Department of Education is committed to rejecting all forms of racial discrimination in NSW public schools and eliminating expressions of racism in its learning and working environments.

Every NSW public school has a trained Anti-Racism Contact Officer (ARCO)

The role of the ARCO is to:

1. Receive the suggestion, complaint or allegation regarding racism
2. Assist the complainant to write the complaint, if required
3. Advise the complainant of their rights and the process to be followed in lodging a complaint
4. Refer the complaint to a member of the school executive who will be responsible for resolving the complaint.

At Wewak Street School Mrs Helen Hoysted has been trained in this position and is looking forward to continuing to promote cultural diversity within our school.

For more information, see:

**P&C are having a Father's Day Stall on
Thursday 29th August.
A \$5.00 limit has been requested.**

Sydney Thunder's Cricket Mascot is coming to School tomorrow from 1.30 until 2.30.
Parents welcome.

This term on Wednesday afternoon in Primary Sensory sport we are exploring different things using our senses.

To explore our sense of touch we made 'Space Sand' – This was a mixture of baby oil and plain flour.

We were able to mix with our hands and squish the space sand into balls to make space rocks. It was very messy!

If you would like to make at home it is 4 cups of plain flour and $\frac{1}{2}$ cup of baby oil.
