Tired

How to sign it: Place fingertips of bent hand at side of chest, wrist upwards. Drop wrist downwards, so that palm ends upwards.

Love

How to sign it: Cross flat hands at heart, with palms touching chest.

Scared

How to sign it: Shake clawed hand in and out from chest.

In Class 8 this term the students have been focusing on learning and practicing new skills and deepening our understanding of the importance of Aboriginal and Torres Strait Islander people's history and culture.

In English we have been reading, exploring, and writing Dreaming stories. We participated in a nature walk around our school and located local plants and animals we could use in our writing and are making a set of story stones to retell Dreaming stories.

In mathematics we have been collecting, interpreting, and using data as well as practicing using money and increasing our number skills and cooking using native Australian ingredients.

Other things that we have been enjoying include increasing our skills in performing music with the Murray Conservatorium of Music, building our confidence at Flyaway Gymnastics in sport, weaving both natural and human made materials in textiles and investigating a range of living and non-living things in science.

Book Week Is Here!

To all our Wewak Street School families,

Next week will be book week. To celebrate the joy of reading a good book we will be having a dress up day on Wednesday the 24th of August. Students can come to school next Wednesday dressed as their favourite character.

Thank you
