What a busy and exciting term Wewak Street students have had. So exciting to see the growth and learning students are achieving over this term. Well done all.

Hopefully we will have a warm and sunny break from school. The weather has certainly been beautiful this last week. On behalf of the staff, I wish all families a great holiday. A time for students to rest and recover from the winter months.

While students are on their two-week break areas in the school grounds will be going through maintenance and staff will be busy preparing for the very busy Term 4.

The PBL team are working towards the Free and Frequent rewards for all students. Our PBL award collection is nearly to the top. This means that we can celebrate that our students are showing the school values of SAFE, CARING and REPECTFUL

- Being respectful communicators,
- Hands to your side, Feet on the ground and keeping a hula hoop distance.
- Walking on the concrete

Well done students at Wewak Street School.

The theme for Term 4 PBL will be **“Be busy with activity”**.

In the classroom the students will be encouraged to follow their “Ready to Learn plans” and participate in learning activities, in the playground students could be active with the equipment put out at breaks and the games and activities that staff set up for students.

Sexual extortion (sextortion) parent and student information

The Australian Federal Police (AFP), through the Australian Centre to Counter Child Exploitation (ACCCE) and state and territory police, are seeing a concerning global trend of teenagers being targeted online to send explicit images of themselves, and then being blackmailed once the images have been sent.

Victims, who are predominantly male teenagers, can suffer serious psychological impacts. Unfortunately, there have been instances of suicide and self-harm directly linked to victims of this crime.

This is sextortion.

On Wednesday 20/9/23 Class 10 students and staff organised a trip to the Henty Machinery Field days for the entire Senior school. We had two busloads of staff and students travel to Henty to experience an agricultural perspective on life. Class 10 students had a wonderful day.
