# Class 9 Highlights...

In Class 9 we learnt to sew hair scrunchies, we made beautiful art flowers and I made yummy jam drop cookies. Daltyn

We celebrated my 16<sup>th</sup> birthday. We made jam drop cookies and beautiful art flowers. Isaac

I used the sewing machine to make scrunchies. I really enjoyed helping Jake at Thurgoona Woollies. I liked Isaac's birthday party with doughnuts and party bags. Reuben

In Class 9 I really enjoyed our beautiful art flowers and learning to sew. Pumping up the balls for Work Ed was good too. Liam

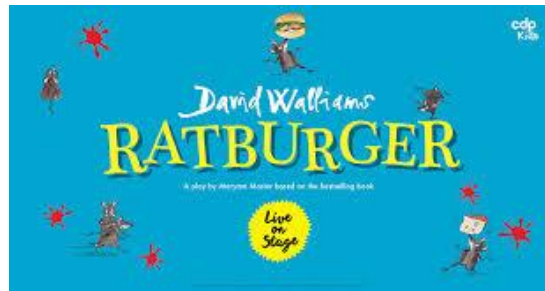

In Class 9 we learned to use the sewing machine for TAS. We made choc-chip cookies to sell at our stall called 'The Amazing Shop'. We made paper flowers and enjoyed lots of gluing. Seth & Jake

We are proud of all the boys for their efforts shown throughout this term. We've had some really interesting learning experiences particularly in history discovering all sorts of amazing facts about ancient China. The boys especially enjoyed exploring different international banknotes and coins as part of the financial math unit. It's been great to get out and about for class shopping to practise pedestrian safety as well as community awareness. In English, the students enjoyed the opportunity to delve into their performance and creative side enthusiastically taking on varied character roles as part of the short scripts. For some, the weekly highlight has been the rugby sessions with the ACT Brumbies while for others, it was the appreciation and creative opportunity to learn more about several Australian Indigenous artists. Have a safe and enjoyable break, everyone and we'll see you next term.

## Secondary Students Enjoyed “Ratburger” at The Cube!

On Tuesday, 17th June, 12 of our secondary students attended an exciting performance of *Ratburger*, based on the popular book by David Walliams, at The Cube in Wodonga. This hilarious and heartwarming adventure was packed with wild twists, dancing rats, evil burger men, and loads of laugh-out-loud moments!

Brought to life with stunning sets, clever puppetry, and plenty of surprises, this was family theatre at its best. Our students were captivated from start to finish — laughing, cheering, and behaving beautifully throughout the show. It was a fantastic way to build upon their learning in English, where they have been exploring drama and performance, and an experience they will remember for a long time!
